

AROMES DE CH PAVIE 2019

Grand Cru

SAINT-EMILION

/ Per fles min. 12 flessen

The Wine Advocate – 92-94/100

The 2019 Arômes de Pavie is a blend of 65% Merlot, 18% Cabernet Franc and 17% Cabernet Sauvignon, harvested from the 3rd of October to the 10th of October. The yields this year were 35 hectoliters per hectare, and the alcohol came in at 14.67%, while the pH was 3.46 (remarkably low!). Deep garnet-purple colored, it comes charging out of the glass with energetic notes of freshly crushed blackberries, boysenberries and red and black plums with fragrant touches of garrigue, violets, star anise and pencil shavings. Medium to full-bodied, the palate is completely coated with black, blue and red fruits, featuring velvety tannins and an invigorating undercurrent of freshness, finishing long and perfumed.

Vinous – Antonio Galloni – 90-92/100

The 2019 Arômes de Pavie is a very pleasing, inviting second wine. Red fruit, dried flowers, espresso, menthol and spice all meld together in an open-knit pliant wine with terrific depth and plenty of character. The 2019 will drink beautifully pretty much upon release. Henrique Da Costa, Gérard Perse's son-in-law, explained that while 2019 was hot and dry, conditions were not extremely hot. Cool temperatures in the evenings provided respite from the daytime heat, while water reserves in the soils from the wet spring allowed the vines to avoid stress. As for the wines, they are superb across the board. Most of the attention will naturally center on Pavie, but the entire range is terrific.

J. Suckling – 94-95/100
