

CH CHEVAL BLANC 2021

1e Grand Cru Classé A

SAINT-EMILION

/ Per fles min. 12 flessen

Robert Parker – The Wine Advocate – 95-97/100

A terrific achievement, the 2021 Cheval Blanc is a blend of 52% Cabernet Franc, 33% Merlot and 5% Cabernet Sauvignon. Unfurling in the glass with aromas of raspberries and cherries mingled with notions of cigar wrapper, vine smoke, rose petals and violets, it's full-bodied, layered and concentrated, with an elegantly muscular chassis of ripe, powdery tannin and lively animating acids. Long and penetrating, this is a serious, rather structured young Cheval Blanc that will require and reward patience.

Vinous – Antonio Galloni – 96-98/100

The 2021 Cheval Blanc is one of the wines of the vintage. Vertical and aristocratic in bearing, Cheval is just stunning. Time in the glass brings out compelling inner sweetness and perfume to play off a core of rich dark fruit, gravel, spice, menthol and dried flowers. I also tasted the final three blending components, none of which hints at the magnificence of the Grand Vin. Stunning.
