

# CH POUJEAUX 2020

**Cru Bourgeois Exceptionnel**

**MOULIS**

/ Per fles min. 12 flessen

## **Vinous – 91-93/100**

The 2020 Branas Grand Poujeaux has an energetic nose of blackberry, bilberry, crushed rock and light marine scents, all very well defined; that saline element becomes accentuated with aeration. The palate is medium-bodied and quite complex, with a well-defined entry and blackberry, burnt toast and bay leaf notes. Slightly ferrous toward the finish. This is a fascinating and quite mercurial Moulis that will age beautifully in bottle.
