Robert Parker's Wine Advocate – 97/100

The 2017 Chateauneuf du Pape La Combe des Fous is full-bodied, rich and velvety, yet it also possesses more freshness and concentrated berry fruit than the Vieilles Vignes bottling. An absolute beauty of a beast, it delivers ripe raspberries and cherries, a gentle dusting of Asian spice and a long, long finish.

Vinous – 94-95/100

Shimmering ruby-red. Powerful, mineral- and spice-accented raspberry and cherry preserve scents are complemented by hints of incense, vanilla and potpourri. Smooth and impressively concentrated, offering energetic red fruit liqueur, spicecake and lavender pastille flavors lifted by juicy acidity and a jolt of smoky minerality. Plush yet lively in character, with an emphatic floral note on a strikingly long finish that features fine-grained tannins that sneak in late.

CLOS SAINT JEAN

Châteauneuf du Pape est un nom qui fait rêver. Il représente à la fois une appellation, un vin et un village.

Clos Saint Jean is een familiedomein, opgericht in 1900, en vandaag geleid door de broers Pascal en Vincent Maurel, die samen met de briljante oenoloog Philippe Cambie schitterende wijnen maken. De kwaliteit kende sinds 2003 een gestage groei. Sinds enkele jaren sneuvelt het ene kwaliteitsrecord na het andere. Vooral de twee

speciale cuvées “Deus ex Machina” en “Combes des Fous” maakten furore en zijn ondertussen uitgegroeid tot een fel gegeerd hebbeding bij tal van wijnliefhebbers. Dit domein behoort zonder enige twijfel tot de top, niet alleen in Châteauneuf en Frankrijk, maar in de hele wijnwereld !

Robert Parker – Wine Advocate 2008

What a remarkable group of wines is emerging from proprietor Vincent Maurel, who works with the genius of Southern Rhône viticulture and winemaking, Philippe Cambie. A succession of superb wines began at this estate in 2003, when it finally began to live up to its superb potential. This may well be one of the most exciting addresses not only in France, but in the entire wine world. ...

Robert Parker bekroonde de wijnen van Clos Saint Jean jaar na jaar met de hoogste scores (waarbij 100/100 geen uitzondering meer is)

Robert Parker – Wine Advocate 2011

If a prize were given to the Rhône Valley estate that had improved the most in the shortest period of time, it would undoubtedly go to that of Pascal and Vincent Maurel, who took over Clos Saint-Jean after their father passed away in 2002. Since then, they have made a succession of world-class wines that are out of this world. One of the largest estates in Châteauneuf du Pape, Clos Saint-Jean has an amazing number of old vine parcels in its 112+ acres. No doubt the hiring of renowned oenologist Philippe Cambie has also increased the quality of these offerings.
